About BlueRidge Consulting Services

BlueRidge Consulting Services was started in early 2013 by a team of professionals from Big 4 Accounting/ Consulting firms

We are a team of professionals having rich experience in both industry and consulting practice. Our partners have spent 8+ years in global consulting firms - Deloitte, Ernst & Young providing Advisory Services to various clients both in India and US

We service clients across a wide range of sectors including Auto, Auto components, Tyres, Construction, and Services – Banking, IT, ITES, Brokers and intermediaries etc.

The domain knowledge and experience is spread across several areas including Enterprise Risk Management, Risk based Internal Audits, Process reviews, IFC'S, SOP's, Maturity assessments, Pre/ Post implementation ERP reviews, Control rationalization, Project management, Trainings etc

Our Vision is to be the most trusted and admired consulting firm in India, Our mission is to serve our clients passionately, address their challenges and be a catalyst for change that drives positive results

Place: Chennai
