Dear sir/madam,

Greetings from **Redington Limited**!

We are excited to share an **Industrial Training opportunity** for Chartered Accountancy students under the ICAI program. We would be grateful if you could circulate the details among eligible students who may be interested.

Position: Industrial Trainee – Internal Audit (ICAI Program)
Location: Chennai, India
Stipend: ₹ 25,000 per month
Company Website: https://redingtongroup.com

Who should apply?

- CA students with prior experience in Internal Audit from a CA firm (preferably with Big 4s and other MNC firms)
- Strong analytical mindset, business acumen, and eagerness to learn
- Passionate about interpreting numbers, building insights, and supporting strategic decisions
- Proficiency with MS Excel and good Communication skills

What you'll get:

Hands-on exposure to core IA functions such as –

- Opportunity to be part of a Global IA team, exposure to Multi-industry and Geography
- Hands-on experience with internal audit Frameworks (IPPF) and Audit Tool
- Confidence and competence to handle real-world tasks
- Understanding of risk-based audit approach, the audit lifecycle, and value addition aspects in MNCs
- Expertise in data analytics using tools like Power BI and KNIME for large datasets

Why Join Us?

This is not just training—it's a front-row seat to how Internal Audit, as a function, identifies potential risks and aligns management on the importance of eliminating such risks.

We also offer absorption opportunities post-qualification for high-performing candidates across functions and geographies.

Interested candidates may email iait@redingtongroup.com with their resumes. Please feel free to reach out for any additional details or clarifications.
