# Shubhadraa & Ajit
# Chartered Accountants

1st July 2025

We are a 15-year-old firm, with our office in T. Nagar. Owned and managed by 2 partners, Shubhadraa and Ajit.

We currently have 24 team members, with 16 of them being those doing Articleship under the ICAI program.

We focus on Statutory and Internal audits, GST and Income tax, Accounting (from Transactions to finalisation of accounts), Corporate Secretarial tasks, Business Analysis, MIS, and advisory services to our clients. Articles gain all round experience in all the above aspects, and get well positioned to join Corporate Finance and Accounts functions in corporates, or to start their own practice, after their Articleship.

All our clients are in greater Chennai, and there is no outstation work.

Stipend offered is 13K and 14K, for the two years for those who have completed both groups.

Pre articleship option is available for those who have completed one group.

Comp off facility for extra hours worked is available, and this can be utilized towards the end of Articleship to get additional study time for the Final exams or can be encashed.

Interested students can either call Ajit on 9841228352 or 7904122358 or Shubhadraa on 9841439547, and send their resumes to ajit@shubhadraaandco.com and shubhadraa@shubhadraaandco.com
