ASSOCIATE NETSUITE FUNCTIONAL CONSULTANT

About Zenardy:

Zenardy is a **technology consulting firm and NetSuite Alliance Partner** helping businesses transform operations using Cloud ERP and digital solutions. We specialize in implementing NetSuite industry solutions across Hi-Tech, Food & Beverage, Manufacturing & Distribution, and General Business. Our expertise spans Cloud ERP, Oracle & NetSuite Implementation, CRM & HCM Solutions, Software Services, and Field Services Consulting. At Zenardy, we combine deep finance domain expertise with cutting-edge technology to deliver tailored ERP and digital solutions that help organizations improve operational efficiency, strengthen controls, and scale with confidence. For more information about our services, visit our website at zenardy.com or connect with us on LinkedIn at Zenardy.

We are seeking **CMA, Chartered Accountant (CA), or Semi-Qualified CA professionals** with strong **finance and accounting expertise** and a passion for **ERP and digital transformation**. The ideal candidate will leverage deep accounting knowledge to design, configure, and implement **Oracle NetSuite Financials**, working closely with business stakeholders and technical teams.

This role is ideal for finance professionals looking to build a long-term career in **ERP consulting and solution design**.

Key Responsibilities

Finance & Accounting (Core Expertise)

- Lead and support implementation of NetSuite Financial Modules, including:
    - General Ledger (GL)
    - Accounts Payable (AP)
    - Accounts Receivable (AR)
    - Fixed Assets
    - Cash & Bank Management
    - Revenue Recognition
    - Budgeting & Forecasting
    - Intercompany Accounting & Consolidation
    - Multi-currency and Multi-subsidiary accounting
- Translate statutory accounting, management accounting, and reporting requirements into NetSuite configurations
- Ensure compliance with accounting standards, internal controls, and audit requirements
- Design chart of accounts, financial structures, and period close processes

Desirable Skillset:

Finance & Domain:

- Strong understanding of **finance and accounting processes** (GL, AP, AR, Fixed Assets, Revenue Recognition)
- Ability to translate business requirements into **into NetSuite configurations**
- Act as the functional point of contact during the project

Consulting & Client:

- Confident in **leading client discussions, workshops, and UAT sessions**
- Ability to communicate technical concepts to **non-technical stakeholders**
- Strong problem-solving, analytical, and stakeholder management skills

Personal Attributes:

- Proactive, self-driven, and able to work independently
- Detail-oriented with focus on quality and project delivery
- Adaptable and willing to learn in a fast-paced consulting environment

Candidate Prerequisites

- **CA/CMA Qualified or Semi-Qualified**
- Strong foundation in accounting, finance, and business processes
- Good analytical and communication skills
- Willingness to learn ERP systems, technology and industry practices
- Exposure to ERP systems (SAP, Oracle, Tally, etc.) is a plus

Work Arrangement

- **Work from Office**
- **Location:** Perungudi, OMR, Chennai
