Dear Sir,

Shri Kailash Industrial and Logistics parks is looking for CA candidate who has cleared Intermediate exams for the role of an Internal auditor for their operations.

Job Description: Internal Auditor – Infrastructure & Capital Projects

Position Title: Internal Auditor (Operations & Capital Projects)

Department: Internal Audit & Risk Assurance

Reports To: Managing Director – SKLCL.

Location: Corporate Office in T. Nagar with frequent project site travel

Employment Type: Full-Time

Role Summary

The Internal Auditor evaluates and improves the effectiveness of risk management, internal controls, and governance processes across infrastructure development operations. This role focuses on project lifecycle auditing—from bidding and procurement through contract administration, engineering execution, environmental compliance, and commercial settlement. The auditor delivers independent, objective assurance to safeguard assets, maintain regulatory compliance, and prevent cost leakage across major civil, transport, and energy infrastructure projects.
