SAM CONSULTANCY SERVICES PRIVATE LIMITED

A long established professional firm in South Chennai requires

Audit Executives

The job entails study of operations of manufacturing companies with a view to identify wastages and inefficiencies and suggesting measures for improving operations. It also entails checking compliance with standard operating procedures and identifying control weaknesses. The incumbent is expected to extract relevant data from the Company's ERP system and analyse the data by dimensions using analytical tools.

Applicants must be CA finalists with exposure to corporates preferably in the manufacturing sector during articleship. They must have high proficiency in spreadsheets while exposure to ERP systems is welcome.

Good pay and challenging work environment.

Write to mas@samserv.com with full resume.
