## Career Opportunity with a Global Leader

*Designing, Manufacturing and Distribution  
of Mechanical & Electronic Power Transmission Products*

The Bonfiglioli Group (headquartered at Italy), is an Italian company with a global presence. We design, manufacture and distribute effective, tailored solutions for all types of applications in industrial automation, mobile machinery and wind energy.

Our three business units, **Discrete Manufacturing & Process Industries, Mechatronic & Motion Systems and Mobility & Wind Industries**, embody all the expertise and experience needed to support our customers' growth.

Our solutions are based on a wide range of products, including gearmotors, drive systems, planetary gearboxes and inverters. Bonfiglioli solutions impact all aspects of daily life, from the food we consume, to the roads we drive on, the clothes we wear, and the light that illuminates our homes. Our solutions keep the world in motion.

Bonfiglioli is an Italian Company, with presence in 22 countries doing 7000 crores turn over. Bonfiglioli is structured with more than 14 production facilities, a sales network with 22 direct branches and dealers in more than 80 countries thus counting nearly 3700+ employees as a worldwide group. The Bonfiglioli Group has used its presence and closeness to its markets, both in Italy and worldwide, to forge a precise industrial strategy. Along with our Italian production plants, over the years we have opened factories in India, Slovakia, Germany, Vietnam, China, USA and Brazil.

Bonfiglioli's ambitious Graduate Program is aimed at talented young people with the motivation to develop rapidly as future managers in the Bonfiglioli Group. The program follows a personal development route that offers a wide range of valuable experience, including the chance to work on strategic projects from the start alongside some of Bonfiglioli's top managers.
