Chairman's Communique...

Beloved and Esteemed Colleagues,

Indian Economy and the Second Wave of Covid-19

The Indian Economy has been recovering well in recent months but a sudden surge in Covid-19 cases has increased the risks in the macro economic management. Number of States are imposing restrictions on mobility to contain the virus. Though it is appreciated that this may be unavoidable in many parts of the country, it will nevertheless affect the economy in multiple ways. A silver lining is, according to some experts, it is likely that the economic impact this time will not be as severe as last year, but would still increase the risks for lenders. Therefore, members associated with various business entities (either as employed or as internal or statutory auditors) should sensitise their respective organisations to be prudent in managing the businesses in general and finances in particular.

Industrial Training

The unique requirement of practical training / articulated training is instrumental in shaping a well-rounded professional and ensure that students of CA Course have an opportunity to acquire on the job work experience of a professional nature which

Inculcates a disciplined attitude for hard work

Develops necessary skills in applying theoretical knowledge to practical situations

Provide exposure to overall economic environment in which organisations operate

Develop ethical values

The Institute, in furtherance of its objective of providing members with adequate knowledge and the background of industrial functioning, conceived the concept of industrial training. The concept envisages the preparation of such trainees in a manner which will be beneficial to the future of the profession as well as for the organisation by ensuring diversity in students' practical experience. Members in Practice may consider referring the Industrial Training Scheme to the eligible organisations (to impart industrial training). I request the members serving in industry to enrol the organizations (that meet the eligibility criteria to impart industrial training) with the ICAI in this regard. Interested organisations can register in the dedicated portal viz., <https://app.icai.org>

CSR Activities and Voluntary Help for Covid 19 affected Members, Students and their Families

Members and students of the Institute have been contributing regularly to the social activities. We invite you to extend your whole-hearted support to

the cause of nation building, by contributing in any area of social cause / sustainability goals during this pandemic period. All of us are aware that we are going through a tough time testing our patience, strength and ability to work without being panicked.

This virus is creating new ways for everyone of us to think of how to keep our family, friends, professional colleagues and article students safe. We are in uncharted territory and we are all learning together. This is the time when we support and become the strength for each other. Our combined efforts will give us better results for sure. It would be great to do something we can do for our family, a neighbour or a stranger. I hope dark phase will pass away soon and a beautiful morning will bring us more joy and happiness than earlier.

SIRC of ICAI has started compiling details of volunteers (members and students) to help the needy members and their family members who are affected by Covid-19. Furthermore, SIRC of ICAI, jointly with Greater Chennai Municipal Corporation and CSR Committee of ICAI has organised a free Covid vaccination camp on 3rd May 2021 for the members and their family members (aged above 18 years) at the Institute's premises at Chennai. This reminds me the adage of Maya Angelou 'I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel'.

Mega Career Counselling and Skill Development Programme

As another first in the ICAI, SIRC has conducted three Mega Career Counselling and Skill Development Programmes for Arts and Science College Students of Tamilnadu jointly with Tamilnadu State Council

for Higher Education (TANSCH). The programme covered the details of CA course apart from enlightening the participants on essential skill sets and opportunities for graduates and overview of GST and filing GST returns

These programmes have received overwhelming response from the students – more than 1,40,000 participants – and appreciation by the senior Government officials of Department of Higher Education, Government of Tamil Nadu and teachers. Motivated by the success of these programmes, we intend to do more skill development programmes for the benefit of students in all States of Southern region and we have also suggested to Head Office to roll out such schemes throughout India.

Programmes for Members

With the support of our members from various parts of the country who have associated with us as resource persons, SIRC has lined up number

of CPE Programmes catering to wide variety of practice areas. All CPE programmes conducted virtually attracts nation-wide participation due to the advantage of delivering these programmes online and I hope to maintain this spirit in the future programmes as well.

Signing off this Month's interaction through SIRC Newsletter

To conclude this month's communication, I may draw the golden words of George Bernard Shaw: Progress is impossible without change, and those who cannot change their minds cannot change anything.

In the service of members and students ever,

CA. K. JALAPATHI
Chairman, SIRC of ICAI

Chennai
01.05.2021

Leader's Thoughts

The whole world his going through times of unprecedented adversities posed by Covid 19. Everyone is moving on a cautious path taking care of their health, businesses, and professional activities.

Times of turmoil are real learning periods for every one of us. When the pandemic hit first and lock down was declared, all of us had difficulties. There were three questions .. 1. Do we have reserves Professional and Personal to pull on for 2 to 3 months.. Then the receivables .. Do we have genuine receivables which could be collected even when the businesses are down. The 3rd question was do we have the technology to work from home.. access servers real time and render uninterrupted services to the clients meeting the deadlines under the various statutes. The answers where kind of positive for 1 and 2 but not so for the 3rd question of being tech-ready for this kind of unprecedented events.

So what did we do Decided to build up reserves ... Stopped giving undue credit and of course adopted the required technologies to enable working from anywhere.

It is felt that the second wave may not last as long as the first one ...

So Let us be Hopeful while being careful.

As for the profession, the developments across has not been very encouraging for the members in practice ... the limit for tax audit has been raised GST audit has

been done away with ... the new system of bank audit allotments lacks transparency.. many of us are denied the opportunity.

Going forward... the charm of compliance practice except for listed and large companies is fading. More of system-driven, trust-based compliances are being brought about.

We, therefore need to refocus on new areas of advisory services (business, taxation, management), insolvency practice, dispute resolution, compliance assistance and so on. In GST, there are green shoots in the form of assessments which has just started.

Our profession has weathered many challenges in the past.

I strongly feel that "THIS TOO SHALL PASS" and that CAs will emerge as relevant professionals in the advancement of our economy as also as proud partners in nation building.

Stay safe... focused ... most importantly... stay determined

Jai ICAI... Jai Hind.
CA. Jomon K. George

FORTHCOMING VIRTUAL CPE MEETINGS – MAY 2021

Important Announcement

Further extension of the last date for Waiving-off Condonation Fees due to late filing of various application forms related to Students and Articled Assistants, amidst COVID-19 Pandemic - (26-04-2021)

Further extension of the last date for Waiving-off Condonation Fees due to late filing of various application forms related to Students and Articled Assistants, amidst COVID-19 Pandemic

Amid the current situation arising out of Covid-19, it is observed that some of the Students/Articled Assistants are still facing difficulties in online filing of prescribed applications forms for various activities e.g. filing of Form 102/103 for registration of articleship due to non-availability of non-judicial stamp papers for the execution of articleship deed, Form 112 seeking permission to pursue another course due to closure of academic institutions, etc.

It is causing delay in online submission of application forms inviting levy of Condonation fees under the relevant Regulatory provisions.

Considering the difficulties being faced by such Students/Articled Assistants, it has been decided to further extend the last date of waiving-off Condonation Fees from 31st March, 2021 to 30th June, 2021. All transaction dates falling between 1st April, 2020 to 30th June, 2021 shall be considered. This period includes one-month prescribed time limit given in general.

Additional Secretary
M&C-MSS Directorate
ICAI

P.S: Necessary changes are being incorporated in the SSP System and the System would be ready by 1st May 2021 with exemption of Condonation fee as above. Please bear with us.

Examination Department - May 2021 CA Examinations - (27-04-2021)

In view of the ongoing COVID-19 pandemic and in the interest of welfare and well - being of students and to mitigate their hardships, it has been decided to postpone the Final and Intermediate Chartered Accountants Examinations which are scheduled to commence from 21st (Final) / 22nd (Intermediate) May, 2021 across the globe.

However, situation of pandemic will be reviewed (COVID cases, MHA guidelines, Centre and State Government directions) and fresh dates will be intimated to students. While doing so, a notice of at least 25 days will be given before the start of the examinations.

The Candidates are advised to note the above and stay in touch with the website of the Institute, www.icai.org.

S. K. Garg
Additional Secretary (Exams)

OBITUARY

We regret to inform the sad demise of CA. Kandasami M, Past Chairman of SIRC of ICAI (2006-2007) who has served the Institute and Profession in various capacities for a span of around 40 years. He left for heavenly abode on 17th April 2021.

May the Almighty, architect of the Universe rest the soul in peace.

Director, Board of Studies

Request to Contribute to CSR Activities

The Institute of Chartered Accountants of India is proudly partnering with the Government of India in Nation Building through social activities, not only by the Corporates as per norms laid down in the Section 135 of the Companies Act, but also focussing on Individual Social Responsibility (ISR).

The Institute is well aware that its family of members and students have not only excelled in their professional lives but also are contributing regularly to the social activities. We invite you to extend your whole - hearted support to the cause of Nation Building, by contributing in any area of social cause / sustainability goals. Few of the focus areas of the committee are as under:

1. **Tree Plantation :** The world is at a critical juncture and there is a huge loss to the economy and ecology. The United Nations has drafted the Sustainable Development Goals to be achieved by the year 2030, a blueprint to a sustainable future. The Committee has taken the target of planting 10 lakhs trees during the current year 2021.

Instructions for the Activity: You are requested to come forward and actively take part in the activity. All members and students are to plant a minimum of 1 (one) sapling, take 4 photos of the activity like photo of the sapling, digging the ground, planting the tree etc. along with specifications of the type of sapling planted and location tag and forward the details along with his/her membership number / student registration number.

2. **Blood Donation :** During the times of Covid-19 pandemic, blood is in shortage. Therefore, the Committee has taken the target of donating 1 lakh units of blood during the year 2021. The large family of Chartered Accountants are encouraged to come forward to support the cause by donating blood.

Instructions for the Activity : Please click a photo of yourself donating blood and share the same with us alongwith details of your Blood Group, date of donation, place of donation and membership number / student registration number.

3. **Sustainability Development Goals- For a better tomorrow:** We are aware that as an individual Professional, you are regularly contributing to the development of the Nation / Society. If you are actively involved in any such activity, henceforth, take a photo of the event / activity and send it to us with the details of the activity and be a proud contributor of the Individual Social Responsibility cause.

The CSR committee is going to organise awards for ISR participation also. Your entries will be considered for the ISR awards. Kindly submit details of your social activities on the CSR Community by logging in to ICAI Digital Learning Hub <https://learning.icai.org/iDH/icai/>. Please <https://csr.icai.org/wp-content/uploads/2021/03/Help-Manual.pdf> for help in uploading the required information.
