*Dear Professional Colleagues,
It's Specially for you...*

Dear Professional Colleagues,

I wish you all a very happy financial year 2017-18. Most of you must be getting ready for Bank Branch Audits and I wish you a smooth conduct of the audit within the stipulated time limits. Lot of changes have happened in the Indian economy during the last six months such as demonetisation and one needs to consider the same while doing the Bank Audit. Institute has come out with a Revised Guidance Note on Bank Branch Audit and we have provided a QR code for the same in this newsletter. Month of March was full of activities at SIRC. Lot of initiatives and activities have been proposed to be taken up which are covered under Announcements in this newsletter.

Every month I will be sharing my thoughts on a specific subject and this month's subject line is Chartered Accountant Benevolent Fund - CABF.

C A B F - Chartered Accountant Benevolent Fund SIRC's Target for CABF is Rs. 1 Crore and above during the year 2017-18

History of CABF

Chartered Accountants Benevolent Fund (CABF) was established under the Societies Registration Act, 1860 in 1962 by the members of the Institute and for the members of the Institute.

Purpose of CABF

The beneficiaries to whom financial assistance provided are:

- a) Persons who are or have been members of the Institute.
- b) Their wives and children
- c) Their relatives or others who are dependent for support on them.

Chartered Accountant Benevolent Fund – a fund created by the ICAI in order to provide financial assistance for maintenance, education or medical treatment to members of the Institute and their family members in distress.

"A Friend in need is a friend in deed." If a member contributes to CABF it helps another fellow member or his family members. CAs who plan the financial structures of clients fail to do the same when it comes to their own planning. Untimely major ailment or death of a member without proper financial planning causes lots of hardship to the member and their family members. There are umpteen numbers of live examples wherein the member's family didn't even have the financial capability to provide appreciable level of medical treatment and in certain extreme cases they didn't even have the capacity to perform the last rituals of the deceased member. Medical expenses are increasing day by day and major diseases are coming unexpectedly. One has to plan sufficiently to take care of medical needs. CABF supports for medical expenses and also helps the family of deceased member.

Chartered Accountant needs to secure himself and his family by procuring both Life Insurance and Medical Insurance. Three to four times of the Annual Gross Earnings of the member will be ideal sum for Life Insurance and a family floater medical insurance of Rs. 10 lakhs will be of great help for the members and their family members. Liquidity of Rs. 2 Lakhs also be maintained.

A question will arise when every member follows the above formula, where is the need for CABF? Till all our members are financially well equipped as mentioned before, the role of CABF is inevitable.

Activities of CABF

Financial Assistance: CABF provides two types of Financial Assistance:

- (i) **Monthly Financial Assistance:** Monthly Financial Assistance is provided by CABF to its members and their families in distress: -
 - The financial assistance granted may vary from Rs. 4,500/- per month to Rs. 7,500/- per month to be considered on the merit of the case.
 - Assistance considered may be granted for the period of one year.
 - Request for grant of monthly assistance is accepted in prescribed application format duly recommended by a designated member.
 - Financial assistance will be given only to the members/widows/relatives whose monthly family income is not more than Rs. 15000/- pm.
- (ii) **Ex-Gratia Financial Assistance:** CABF provides two types of ex-gratia financial assistance:
 - a) In case of accidental death/unnatural death at the age below 55 years against claim to the legal heir of deceased member.
 - b) In case of medical treatment of members of ICAI for certain specified ailments against application. **Procedure for availing assistance**

Application for financial assistance should be made in prescribed format (available on ICAI website http://www.icai.org/new_post.html?post_id=745) along with all relevant supporting documents mentioned therein. The application must be recommended by any Central Council Member or Chairman/Vice Chairman/Secretary of any Regional Council or Branch/ Ex-President/Chairman/Vice-Chairman and Member Secretary/Member of Managing Committee of CABF /Member of Managing Committee of Regional Council.

Leader's Thoughts

Esteemed Members,

Government has brought out notable changes in Fiscal Laws to bring in lot of Financial Discipline. It has also accelerated the efforts for inclusive finance. It has made every move to eradicate Corruption, Black Money and Tax Evasion.

Post Demonetisation has brought in more work for senior Chartered Accountants and more opportunities for New Chartered Accountants. In the past 10 years, 90% of the Chartered Accountants have opted for Employment than practice. This is the right time for CAs who are in employment to comeback to Practice. Don't be afraid to start over. It's a Brand new opportunity to rebuild what you truly want. This is the time for CAs to hone the skills in solving the financial problems prevailing in the society. This also needs the effective and efficient use of latest technical and technological tools to comply GST, Online Processing and Filing of Direct Taxes, etc. The Society & Govt. Expectation from this profession is on high side. No doubt learning new things needs some more efforts.

I am confident that senior practitioners are capable of doing all these things. I appeal the Young Chartered Accountants to take up these opportunities to serve the society and get due recognition, respect & reward. We should guide our clients and general public in the best interest of the nation, so that the country gets freedom from the menace of corruption, tax evasion, black money, etc. Use everything as an Opportunity to understand, grow and expand.

I would like to conclude my write-up by referring the quote "Today is not just another day. It's a new opportunity, Another Chance, A New Beginning. Embrace it."

Yours in Professional Service
CA. E. Phalguna Kumar

Happenings Around	
	CBEC to be renamed CBIC under GST regime The apex policy making body for indirect taxes, CBEC is being rechristened as the Central Board of Indirect Taxes & Customs (CBIC) in the run up to the Goods and Services Tax regime to be rolled out from July 1. "The Central Board of Excise & Customs (CBEC) is being renamed as the Central Board of Indirect Taxes & Customs (CBIC), after getting legislative approval," a Finance Ministry statement said.
	Aadhaar To Be Made Mandatory For Filing Returns, PAN Applications The new rules kick in starting July, Finance Minister Arun Jaitley said. Because they are amendments to the Finance Bill, the government should have no trouble having them cleared in parliament.
	GST draft bills tabled in Parliament; peg peak rate at 40% NEW DELHI: India's biggest tax reform took another key step forward with crucial legislation related to the goods and services tax being introduced in Parliament ahead of the government's plan to roll it out across the country by July 1. Finance minister Arun Jaitley introduced four items of legislation that, among other things, provide for a peak GST rate of 40% and the setting up of an authority to protect consumers from profiteering by businesses.
	Filing tax returns to be less painful as government simplifies ITR forms NEW DELHI: A crisp income tax form for salaried individuals will be introduced from April 1, doing away with some columns to simplify the filing of returns. Individuals with salary and interest income will have to fill fewer columns as some of these for claiming income deductions have been dubbed in ITR1 form called 'Sahaj'. In the form for Assessment Year 2017-18, deductions claimed under different sections of Chapter VIA have been removed and only mostly used ones have been included.
