## *Dear Professional Colleagues,*

It is a little more than a month since I took charge as Chairman of SIRC. My interactions with colleagues in the Regional Council and the professional fraternity is providing me fresh insights to strategize my plan into action. SIRC is geared to serve the members and students with a Comprehensive "Action Plan" which is now on the SIRC Website. I would like to briefly touch upon on the road map of SIRC for the year 2019-20 with specific reference to members and students services. I request members to offer their inputs for enhancing the quality of the Action Plan.

### **1. Members Empowerment:**

- Seminars
- Residential Courses
- Sub-Regional Conferences
- Programmes with an eye on wider participation of members in industry
- International Tours

My team in SIRC and I have, with your good wishes, started our journey with very positive happenings during the last 40 days having conducted numerous programmes which were widely appreciated by the members. It will be our endeavour to serve our fraternity and fulfill the expectations to which we look upon you for support and encouragement for our initiatives and programmes.

### **Together... Let us strive for an "Intuitive, Responsive and Resurgent SIRC"**

#### **Vision and Mission through Committees:**

SIRC has formed Standing and Non-Standing Committees, the details of which are published in Page No. 8 and 9 in this Newsletter. As you know the role of Committees assumes significance with any professional bodies and at SIRC having multi-varied activities, they act as the arms for SIRC. I am optimistic about the support of our members in the programmes and actions contemplated by Committees and held under the aegis of SIRC.

#### **Assumption of Office of New Managing Committee at 45 Branches of SIRC:**

I congratulate the newly-elected members of the Managing Committee of all 45 Branches of SIRC and wish them the best in their endeavours. Every Branch had started in right earnest their functions with focus on organizing programmes and all of them have conducted the Seminar on Bank Audit and few more programmes during March 2019.

#### **Orientation Programme:**

On the 7th and 8th May 2019, SIRC is conducting an Orientation Programme for all the members of the 23rd Regional Council and Managing Committee of all 45 Branches of SIRC at Kochi and this programme would be graced by the august presence of our beloved President CA. Prafulla P. Chhahed and CA. Atul Kumar Gupta, Vice-President. The occasion would have threadbare deliberations on issues focused on matters of professional interest and improving and improvising the services to the members and students by SIRC and its Branches.

#### **Interaction with Government Departments:**

As part of our closer co-ordination and interaction with the Government, SIRC last month conducted Two Days Training Programmes for the officials of the Commercial Taxes Department, Govt. of Tamil Nadu at Chennai on 14th and 15th, Madurai on 20th and 21st and Coimbatore on 25th and 26th and proposed to conduct few more training programmes for them during the course of next two months. Through this column I acknowledge the support received from Shri T.V. Somanathan, IAS, Commissioner of Commercial Taxes and Principal Secretary (Planning and Development), Govt. of Tamil Nadu and other senior officials in the conduct of the training programme.

## Chairman's Communique... Continues

### Other Regular Programmes:

Besides we had organized two annual events on Bank Audit, viz., Seminar on Central Statutory Audit of Banks and Seminar on Bank Branch Audit on 8th and 20th March respectively. On the 8th March we organized a Women CAs Programme coinciding with the International Women's Day and a Memorial Lecture jointly with Society of Auditors in recognition and memory of Late CA. M.R. Narayanan, a Workshop on GST and five weekly study circle meetings. I express my sincere gratitude to all the dignitaries and other resource persons who shared their expertise amongst our professional colleagues and the members who participated in large numbers.

### Forthcoming programmes:

Marching ahead with confidence we continue to provide 'feast of knowledge' to our members by organizing programmes with diverse topics of professional interest which are published in this Newsletter. They are –

- Residential Seminar at Yercaud on 26th, 27th and 28th April 2019 hosted by Salem and Tiruchirapalli Branches of SIRC.
- Fifth Residential Seminar on International Taxation on May 3, 4 and 5, 2019 at Bengaluru hosted by Bangalore Branch of SIRC.

- Breakfast meeting on 13th April 2019
- Weekly Study Circle Meetings

Considering that the members would be agog with Bank Audit assignments we had limited our programmes for the month of April 2019 but the subsequent months would have larger number of events in store.

### Visit to Branches:

During March, I interacted with the members during my visits to Madurai, Sivakasi, Tirupati and Kottayam Branches. These interactions not only gave a new direction to my functions as Chairman of SIRC but also added value, inspiration and confidence to serve with more zeal and enthusiasm.

### Best Wishes to Students / Members:

In view of the General Elections to the Parliament the CA Examinations were postponed. It will be held between 27th May 2019 and 12th June 2019 for all streams of examinations including Assessment Test (AT) for members pursuing the Course on International Taxation. SIRC conveys its best wishes for all the candidates and wish them all the best.

### General Elections:

The Election Commission has announced the holding of General Elections to the Parliament in different phases throughout the country. As the citizens of India duty is cast upon us to cast our vote on the day of polling at the polling station attached as per the electoral rolls. SIRC appeals to the members and the students (who have attained the age of 18 and on electoral rolls) to perform their duty, without fail and assert their affirmation and faith in the democratic principles and values.

In the new financial year 2019-20, let positivity drive us to encourage the members of the profession to explore new vistas, reposition themselves with a fresh resolve to probity, thus bringing about better governance and steady progress.
