Subject: Chartered Accountant Openings – “2” Positions

This is with regards to the subject line, we “**Caplin Point Laboratories Ltd.**” would be immensely interested to share the following openings in Finance Dept. based at Perungudi, Chennai.

Caplin Point Limited was established in 1990 to manufacture a range of ointments, creams and other external applications.

The Company was listed in 1994 following its Initial Public Offering (IPO) which was oversubscribed 117 times, the proceeds of which were deployed in setting up a manufacturing facility at Pondicherry. Thereafter, the Company expanded its product range and increased its production capacity.

The Company has entered into the Regulated Markets for Injectables through its state of the art manufacturing facility, capable of handling Liquid Injectables in Vials, Ampoules, Lyophilized Vials and Ophthalmic dosages. The facility is approved by US FDA, EU-GMP, ANVISA-Brazil and INVIMA-Colombia. Details of the requirement as follows.
