This Job Description should be read in conjunction with the relevant terms of reference, the <u>Group's Governance Manual</u> which sets out responsibilities for establishing, maintaining and implementing the Group's high-level systems and controls, policies and procedures, and the role-holder's contract of employment. The role-holder acknowledges that they understood and will abide by the responsibilities set out in the Governance Manual as well as ensure compliance with Group Code of Conduct, and the local regulators Statements of Principle and Code of Practice for Regulated roles.

The Valued Behaviours act as a compass for our staff, helping them feel and behave as one team across different markets and business functions. Living them consistently with our clients, colleagues, regulators, communities, and suppliers we deliver on our Purpose of Driving commerce and prosperity through our unique diversity, and our brand promise of Here for Good.

Do the right thing: Be brave, be the change; Think client; Live with integrity

Never Settle: Continuously improve and innovate; Simplify; Learn from your successes and failures

Better together: See more in others; How can I help? Build for the long term

<u>Leadership Agreement</u> is designed to set clear expectations of the leadership standards needed to drive and accelerate our performance – **Aspire**, **Inspire** and **Execute**.

Standard Chartered is committed to diversity and inclusion. By providing equal opportunities we foster a work environment which embraces diversity and gets the best out of the broadest spectrum of people to sustain business performance and competitive advantage. We build an inclusive culture by demonstrating respect for each other's unique strengths and perspectives to enable every employee to develop a sense of belonging and have the opportunity to maximise their potential.

The agreed job description should be part of the job library and be used for Performance Management objective purposes, development needs, and hiring requirements as needed.

** Please include Local / Regional/ Country Regulatory role requirement details as necessary.

The Role Holder and the People Leader are required to keep the Job Description up-to-date when there is a material change, particularly if there are changes to responsibilities or reporting lines. *
