Business Analyst

Experience : 3-5 Years in the similar role

Gender : Male/Female

Salary : Best in the Industry

Shine with us

Business Analyst | No of Positions: 2

Qualification - Inter

Job Description:

1. Analyze sales performance trends across periods, identifying growth patterns, dips, and regional variances to inform strategic planning.
2. Prepare comparison reports featuring period-over-period growth and achievement percentages, creating clear, compelling visual dashboards to support stakeholder decision making.
3. Evaluate detailed sales reports, flagged audit exceptions, and led collection reconciliation processes to ensure accurate revenue recognition and financial integrity.
4. Deliver data-driven insights with polished charts, tables, and presentations-demonstrating outstanding analytical rigor and communication skills to cross-functional teams.
