Company Overview

Established in 2010 by former Big Four professionals, Agrya Consulting Pvt. Ltd. is a technology enabled CFO Advisory & Finance Operations firm supporting businesses in building scalable, insight driven finance functions.

With a team of 120+ professionals including Chartered Accountants, finance specialists, and technology experts, Agrya partners with growing companies as an extended finance arm by delivering controllership, FP&A, finance transformation, and strategic advisory solutions.

Our integrated service offerings include:

- CFO Services & Finance Advisory
- CFO Support & Controllership
- Accounting Hub & Compliance Management
- FP&A as a Service
- Due Diligence & Fund Raise Support
- M&A Advisory & Structuring
- Reporting & Transaction Automation

At Agrya, professionals gain exposure beyond traditional accounting roles by working closely with business leadership teams and contributing to real business decision-making.
