Opportunities for Chartered Accountants

Brakes India

Position 1: Corporate Finance

Company: Brakes India Pvt Ltd, founded in 1962, is a leading supplier of braking systems and ferrous castings for passenger, commercial vehicles, and tractors. With revenues exceeding Rs. 7,800 crores, the company blends a legacy of excellence under the TSF Group with innovation in mechanical, electrical, and software design.

Qualification: Chartered Accountant

Experience: Freshers and candidates with 1–5 years of manufacturing company experience.

Role Purpose: To support the General Ledger Section in consolidation of Accounts, management reporting and product profitability analysis. The role ensures timely, accurate, and insightful financial reporting while also participating in system enhancement projects.

Location: Padi, Chennai

Position 2: Site Head – Finance

Company: BIADS India Private Limited, a joint venture of Brakes India and ADVICS, has inaugurated a new greenfield braking systems plant in Shoolagiri, Tamil Nadu. The facility will manufacture advanced solutions such as electronic stability control and brake control products.

Qualification: Chartered Accountant

Experience: 1–5 years in finance, accounting, costing, or plant finance.

Role Purpose: To lead site finance operations by ensuring robust governance, efficient cost management, accurate reporting, and statutory compliance. The role serves as a strategic business partner to the Site Head and leadership team, driving financial performance and supporting decision making.

Location: Shoolagiri, Hosur

CTC: Freshers: 9,50,000 | **Experienced:** Based on experience and interview performance

Deadline: Last date of application – 31st May 2026

Application Process: Interested candidates may send their updated resume to **vinothkumar.k@brakesindia.co.in** or contact **9094313299** for further details.
