Dear Team,

We have the following number of opportunities:

4 (Immediate Joiners)

Stipend: Best in the industry

Qualification: Both Group Cleared

Job Title: Article Assistant – Transaction Advisory

Key Responsibilities:

* Assist in transaction advisory engagements, including M&A Tax and succession planning assignments.
* Support financial analysis, research, and preparation of client presentations.
* Help draft concept notes, reports, case studies, and opinion documents.
* Conduct industry, company, and financial due diligence research.
* Assist in preparing financial models and transaction-related documentation.
* Collaborate with senior team members on live client projects and strategic transactions.

What You'll Gain:

* Hands-on exposure to high-impact M&A Tax and succession planning projects.
* Opportunity to work closely with experienced professionals in transaction advisory.
* Practical understanding of deal structuring, financial analysis, and business strategy.
* Development of presentation, analytical, and client management skills.

Desired Skills:

* Strong analytical and problem-solving abilities.
* Good communication and presentation skills.
* Proficiency in MS Excel and PowerPoint.
* Eagerness to learn and work in a dynamic advisory environment.
