WHAT YOU WILL WORK ON

Gain hands-on exposure across the most in-demand areas of practice:

- Accounting & Financial Reporting — Build rock-solid fundamentals.
- Statutory & Internal Audits — Real engagement, real responsibility.
- Company Law Compliances — From incorporation to quarterly and annual compliances.
- Corporate & Regulatory Compliance — Understand the legal backbone of business.
- Comprehensive Compliance Management — Gain knowledge in Direct Tax, GST, FEMA, and Labour Laws.
- Management Information System (MIS) — Learn how to interpret financial statements, analyse performance, and track KPIs.
- Financial Planning & Analysis (FP&A) — Work closely with Partners and Managers to deliver high-quality FP&A services to clients.
- Valuation Engagements — Work on company valuations using different valuation methods.
- Preparation of Opinions on Business Structuring & Taxation Matters — Assist in advisory and structuring assignments.
- Advisory & Process Improvement — Think beyond numbers and drive business value.
- AI Automation — Automate the complete accounting, reporting, and compliance framework.

WE ARE LOOKING FOR

- CA Intermediate qualified candidates
- Strong analytical thinking and clear communication skills
- Working knowledge of MS Excel / MS Office tools
- A growth mindset — eager to learn, contribute, and excel

WHAT JPR OFFERS YOU

- Mentorship from experienced CAs across diverse service lines
- Structured learning environment with real-world client exposure
- Opportunity to work on multi-domain assignments — never pigeonholed
- A supportive, professional culture that invests in your growth
- A strong foundation for cracking your CA Finals with confidence
