WHAT YOU WILL WORK ON

Gain hands-on exposure across the most in-demand areas of practice:

- **AI Automation** – Automate the complete accounting, reporting and compliance framework.
- **Valuation Engagements** – Work on valuation of companies under different methods.
- **Preparation of Opinions** on Business structuring and taxation matters.
- **Management Information System** – How to interpret financial statements, analyse performance and track KPI.
- **Comprehensive Compliance Management** - Knowledge in Direct Tax, GST, FEMA and Labour Laws.
- **Financial Planning and Analysis:** Work closely with Partners and Managers to deliver high quality FP&A Services to clients.
- **Company Law Compliances** – From Incorporation to quarterly and annual compliances.
- **Externalisation** – Work on externalisation of Indian Companies to Singapore and USA.
- **Statutory & Internal Audits** - real engagement, real responsibility.
- **Accounting & Financial Reporting** - build rock-solid fundamentals.
- **Corporate & Regulatory Compliance** - understand the legal backbone of business.
- **Advisory & Process Improvement** - think beyond numbers, drive business value.

WE ARE LOOKING FOR

- CA Intermediate qualified candidates
- Strong analytical thinking and clear communication skills
- Working knowledge of MS Excel / MS Office tools
- A growth mindset — eager to learn, contribute, and excel

WHAT JPR OFFERS YOU

- Mentorship from experienced CAs across diverse service lines
- Structured learning environment with real-world client exposure
- Opportunity to work on multi-domain assignments — never pigeonholed
- A supportive, professional culture that invests in your growth
- A strong foundation for cracking your CA Finals with confidence
