05-Jun-2026

Dear Sir/Madam,

Greetings from **MulticoreWare India Pvt Ltd**

We are excited to share an **Industrial Training opportunity** for Chartered Accountancy students under the ICAI program. We would be grateful if you could circulate the details among eligible students who may be interested.

Position: Industrial Trainee – Finance (ICAI Program)
Location: Chennai, India
Company Website: https://multicorewareinc.com
Email: aparna.mohan@multicorewareinc.com , vinoth.subbarayan@multicorewareinc.com

About the Role:

We are looking for a motivated and capable CA student to join our **Corporate Finance team**. The trainee will gain exposure to key areas such as financial reporting, taxation (India & US), budgeting, and compliance, while working in a dynamic, tech-driven environment.

Key Responsibilities:

- Assist with month-end close, reconciliations, and audits
- Support statutory/internal reporting and record-keeping
- Contribute to budgeting, forecasting, and metrics tracking
- Ensure compliance with taxation requirements and filings
- Assist with financial models, procurement, and vendor payments
- Support cross-functional projects including legal and treasury

Who We're Looking For:

- CA student eligible for ICAI Industrial Training (preferably in final year of articleship)
- Proficient in Excel; ERP knowledge is a plus
- Analytical, detail-oriented, and eager to learn
- Strong communication skills and interest in finance-tech intersection

We look forward to hearing from interested candidates. Please share your resume to the above mentioned email address.
