Dear Sir/Madam,

Greetings from **Ramco Systems**!
We are excited to share that we have an opening for **Business Analyst – Finance** role for Chartered Accountants. We would be grateful if you could circulate the details among eligible students who may be interested.

Job Title: Business Analyst - Finance (Fresher- Chartered Accountant)
Location: Chennai
Employment Type: Full-Time
Company Website: https://www.ramco.com/

Job Summary

Ramco Systems is looking for a proactive and analytical fresher Chartered Accountant to join our team as a Business Analyst. This role involves working closely with cross-functional teams, supporting ERP implementation projects, and delivering customized solutions to meet client needs. The ideal candidate should have a strong passion for finance and technology, exceptional analytical abilities, and the adaptability to thrive in a dynamic environment.

Key Responsibilities

- Document current and future financial workflows for clients.
- Identify process gaps and recommend solutions to enhance efficiency and effectiveness.
- Serve as a bridge between technical teams and clients to ensure clear and effective communication.
- Define and map end-to-end finance processes, including Procure-to-Pay, Order-to-Cash, and Record-to-Report.
- Support management in implementing Cloud ERP solutions as part of clients' Digital Finance strategies.
- Analyze existing client financial workflows and suggest optimizations leveraging Ramco's ERP tools.
- Develop training materials and conduct user training sessions on ERP functionalities.
- Configure and test ERP modules to ensure operational accuracy and seamless integration.
- Stay updated on advancements in regulations, technology, and finance innovations to deliver informed recommendations.

Basic Qualifications

- Chartered Accountant (CA) qualification is mandatory.
- Fundamental understanding of finance functions, operating models, and best practices for process standardization.
- Familiarity with core finance technologies such as General Ledger (GL), Accounts Payables (AP), Accounts Receivables (AR), Fixed Assets (FA), and Cash Management (CE).
- Ability to facilitate workshops, document client requirements, and translate them into actionable solutions.
- Proficiency in creating high-quality presentations using MS Office tools (Word, PowerPoint, Excel).

Professional Skills Requirements

- Passion for finance automation and emerging technologies.
- Previous exposure to client-facing roles or internships in ERP implementation is an advantage.
- Strong verbal and written communication, facilitation, and interpersonal skills.
- Proven ability to engage effectively with clients, both individually and as part of a team.
- Highly motivated, with the ability to thrive in a fast-paced, high-energy, and collaborative environment.
- Willingness to travel internationally as needed.

Application Instructions:

Interested candidates should submit their applications along with an updated resume detailing their interest and qualifications.
Please send your applications to Susan1.Sabu@ramco.com

We look forward to welcoming enthusiastic and dedicated individuals to our team!
