Shubhadraa & Ajit
Chartered Accountants

12th May 2026

We are a 16-year-old firm, with our office in T. Nagar. Owned and managed by 2 partners, Shubhadraa and Ajit.

We currently have 22 team members, with 17 of them being those doing Articleship under the ICAI program.

While our primary focus is on end to end Accounting services (from Transactions to finalisation of accounts), Corporate Secretarial returns and tasks, Business Analysis and MIS, Payroll Processing, Compliances under FEMA, PF, ESI and other labor laws, we also provide attestation services including Statutory and Internal audits, GST returns and audit, Income tax filings and hearings for Individuals and Corporates.

Our Accounting clients are typically in the Services sector, and most of our audit clients are in the manufacturing sector. Articles gain all round experience in all the above aspects, and get well positioned to join Corporate Finance and Accounts functions in the private sector, or to start their own practice.

All our clients are in greater Chennai, and there is no outstation work.

Stipend offered is 14K and 16K, for the two years.

Pre Articleship option is available for those who have completed one group, at lower stipends.

Comp off facility for extra hours worked is available, and this can be utilized towards the end of Articleship to get additional study time for the Final exams or can be encashed (option with the Partners).

Interested students can either call Ajit on 9841228352 or 7904122358 or Shubhadraa on 9841439547, and send their resumes to ajit@shubhadraaandco.com and shubhadraa@shubhadraaandco.com
